

Welcome to your electronic office. This is where you as a resident of the 20th Congressional District of California can have your voice heard. Before you get started, please read below on how I can best assist you.

I want to hear from you. Due to the high volume of e-mails the office receives daily, please limit your email to concerns with **federal** issues or legislation. This will insure that your e-mail is handled in the most efficient manner. Please be patient as it may take me a while to respond to your email. Also, please note, if you are a resident of the 20th Congressional District of California but are visiting or living elsewhere, please use your address of residence in the 20th District on the webform. If you do not, I will not receive your email due to constituent courtesy rules that prohibit me from responding to the constituents of another Member of Congress

All scheduling requests should be made using the [scheduling button](#) on the homepage, not through the webform.

If you need personal assistance with casework regarding a federal agency please call the Fresno office at (559) 495-1620 or view our [federal assistance section](#) on this website.

If you would like to request a tour of the U.S. Capitol or the White House please use the following link to access our [tour request form](#) . American flags can be flown over the U.S. Capitol for constituents. To order your flag please use the following link to our [flag request form](#)

Thank you for taking the time to let me know your views. Please use the following link to access our [email webform](#) and email me your concerns about the issues facing Congress.
